

# Cooperative Purchasing

**No Bidding. Save Time. Save Money.**

- Publicly solicited and awarded national agreements
- Competitive pricing through cooperative contracting
- Meet procurement statute requirements
- Efficient use of time and resources

## Otto Cooperative Purchasing Partners

The BuyBoard Purchasing Cooperative is a national online purchasing cooperative designed to streamline the buying process for schools, municipalities and other public entities. BuyBoard contracts were developed to comply with state laws which require government entities to make purchases from an approved list of vendors who have gone through a competitive procurement process.

To learn more, visit [www.buyboard.com](http://www.buyboard.com)

Join BuyBoard by executing the [Interlocal Participation Agreement Form](#) located on their website.

HGACBuy is a nationwide cooperative purchasing program that provides procurement services to governmental and non-profit entities. HGACBuy contracts have been awarded by virtue of a public competitive bid or RFP process in compliance with government purchasing statutes.

To learn more, visit [www.hgacbuy.org](http://www.hgacbuy.org)

Join by executing the [HGACBuy Interlocal Contract \(ILC\)](#) located their on website.

Otto is affiliated with other state-wide contracts, including:

- COMMBUYS Program, Commonwealth of Massachusetts
- DGS COSTARS Program, Commonwealth of Pennsylvania
