

Sure-Close

Dispose of Food Scraps With Ease

- Ventilated lid option allows moisture evaporation and reduces odor
- Ergonomic swing handle allows single-hand transport
- Convenient size accommodates an adequate amount of food scraps
- Wide opening with varying lid stops facilitates food scraping from large surface areas

Features & Options

- Easily fits under sink, cupboard, countertop or corner areas
- Wide opening facilitates food scraping from larger plate surfaces
- Smooth surface is easy to clean and is dishwasher safe*
- Ventilation holes minimize odor by allowing moisture to evaporate
- Swing handle, lip grip, bottom grip and back grip create ergonomic handling for loading and emptying
- Container feet give grip work surface and provide additional airflow
- Accommodates a compostable bag liner

Lid Features

- Lid available with or without ventilation holes
- Double seal lid prevents insect infiltration
- Removable lid facilitates easy cleaning
- Latch closure and tuning loosens lid after sealing
- Adjustable lid stops keep lid open at wider or narrower angles
- 90° throwback makes filling easier

*Heated dry-cycle not recommended
