

Advertising Container

Advertising Container

Publicize Your Message In High Traffic Areas

- Large 64-gallon capacity accommodates high traffic areas
- Panels change out easily for rotating campaigns or messages
- Made of high grade 14 gauge galvanized steel – the premium process for corrosion resistance and powder coat adhesion
- Offset container costs or generate revenue by selling advertising space
- Custom frame colors available to complement facility, logo, or theme
- ADA compliant, made in USA

HS64 Features

- Comes fully assembled
- Available in trash, recycling, or dual trash and recycling configurations
- Open slot over solid steel sides for graphic panels*
- Two 32-gallon removable liners included

AC64 Features

- Shipped assembled or unassembled; unassembled for freight and budget optimization
- Steel corner rods, lid, and base packaged for easy customer assembly
- Graphic panels serve as walls for container*
- Opening available in trash configuration only
- Bag ring included

Shipping Information

MODEL	ASSEMBLY WEIGHT†	T/L QTY (53' TRUCK)
AC64OW	86 LBS.	286
HS64OW	189 LBS.	132

Containers are shipped on pallets. AC64 containers are shipped unassembled. Shipping information is estimated. Alterations to specifications may occur.

All stainless steel panels are 20 gauge thickness. *Advertising panels do not come with container frame. Panel design and sourcing is customer's responsibility at a graphics vendor of their choice. Four graphic panels are needed per container. AC64 panel dimensions are 22" w x 35" h; HS64 panel dimensions are 20.625" w x 27.5" h. Panels should be printed on 1/16" thick Sintra, Styrene, or similar material. Optimal image resolution for this size is at least 300 dpi (dots per inch).

Container Specifications

MODEL	HEIGHT	WIDTH	DEPTH
AC64OW	60"	41 4/5"	31 4/5"
HS64OW	56"	30"	31"

Container specifications vary slightly.

Available Colors

The Advertising Container is available in 6 standard colors. Custom colors available.
