

Assembly, Distribution & Recovery

Assembly, Distribution, & Recovery

In Depth Preparation. Successful Execution. Continued Support.

Otto Container Management (OCM) offers personalized services for the curbside assembly, delivery, and recovery of your residential roll-out containers.

A Team You Can Trust

- Licensed, insured & DOT certified drivers
- Adherence to OSHA and other relevant safety practices ensure safety is paramount on the job site
- Professionally uniformed field employees
- Robust IT team ensures attention to detail with equipment and data
- Experience in rolling out millions of carts across U.S. for both large and small haulers

We Manage The Details

- Ensure the right questions are asked and answered with our project management workbook tools. Each component of your project is tracked including:
 - Contact information
 - City requirements
 - IT equipment/services
 - Production/deployment scheduling
 - Detailed project completion strategies
- Maintain accuracy with scrubbed distribution lists
- Track your fleet with RFID or barcode delivery verification
- Increase program participation with informative literature distribution

Meet Your Start Date

- Have confidence with a dedicated onsite project manager
- Receive constant and streamlined communication with a consistent staff
- Monday through Saturday scheduling
- Establish efficient truck routes with the latest in route mapping software
- Track project progress with daily reports
