

Cart Garage

Cart Garage

Sturdy And Attractive Container Housing For High Traffic Areas

- Houses most 2-wheel carts; 2-wheel cart included
- Interchangeable side panels and custom colors
- Modular construction for simple panel changeouts
- Available in 95, 65, and 32 gallons
- Inside deflector funnels waste into enclosed cart
- Environmentally friendly container made of mostly recycled material
- Frame made of high quality galvanized steel

Features

- High grade 14 gauge steel frame with premium galvanized process for paintability and corrosion resistance
- Security measures include door panel locks and anchoring holes
- Panel customizations include:
 - Precision laser-cut logo or message
 - Premium 3M™ vinyl decals to convey type of waste or recycling material
 - Advertising graphics made of sintra, styrene, or similar material†
- Cold galvanizing spray treatment available for extremely salty and humid environments
- 32 gallon is ADA compliant; all sizes made in the USA

Built-in deflectors on each side direct waste into open cart

All stainless steel panels are 20 gauge thickness. †Advertising panels do not come with container frame. Panel design and sourcing is customer's responsibility at a graphics vendor of their choice. Panels should be printed on 1/16" thick Sintra, Styrene, or similar material. Optimal image resolution for this size is at least 300 dpi (dots per inch). Inquire for panel measurements.

Garage Door Features

- Garage access door features strong, durable hinge made of 304 grade stainless steel that will not rust
- Garage door provides convenient cart maneuverability for quick, ergonomically safe collection
- Door panel locks secured by a universal locking system

Shipping Information

MODEL	ASSEMBLY WEIGHT†	T/L QTY (53' TRUCK)
OSCG95	318 LBS.	42
OSCG65	245 LBS.	51
