- Stainless steel panels are high quality 304 grade that will not rust
- Stainless steel panels are powder coated with clear coat for scratch and scuff protection
- Advertising panels made of weather-proof sintra or styrene
- Receptacles can be two-tone by differing frame and panel colors
- Panel customizations include:
  - Precision laser-cut logo or message
  - Premium 3M™ vinyl decals to convey type of waste or recycling material
  - Advertising graphics made of Sintra, Styrene, or similar material†

All stainless steel panels are 20 gauge thickness. †Advertising panels do not come with container frame. Panel design and sourcing is customer's responsibility at a graphics vendor of their choice. All 55 gallon panels are 28" h x 39" w; 35 gallon panels are 24" h x 29" h. Panels should be printed on 1/16" thick Sintra, Styrene, or similar material. Optimal image resolution for this size is at least 300 dpi (dots per inch).

## Customize Your Receptacle

- Custom powder coat colors available for panels, frame and lid
- Outdoor lids with smokers box
- Cold galvanizing spray treatment for extremely salty or humid environments
- Bag ring or rigid plastic liner

Optional Bag Ring

## Outdoor Lid Options

Optional ashtray  
bowl

Hidden Smokers Box for  
cigarette butts

## Removable Liner

A removable liner is standard on 55 gallon receptacles. Actual capacity 52 gallons.

Bag ring is standard on the 35 gallon. Bag ring swings out for improved ergonomics. Available as an option on 55 gallon receptacles.

## Homeland Security

- Compliant with the Department of Homeland Security directive for clear plastic containers
- Clear panels are made of Bayer Science® brand Makrolon® polycarbonate. UV resistant and non-yellowing
- Available in thicknesses of:
  - 0.236"
  - 0.093"
- Bag ring standard on clear-paneled plastic receptacles
- With a 94 UL rating, Makrolon® polycarbonate has a very high melting point providing additional content security in case of fire
