

Recycling Bin

Recycling Bin

User Friendly Bin For Recycling Programs

- Allows for comingled or separated collection of recyclables
- Designed to withstand rough handling and extreme weather conditions
- Optional 18 gallon lid fits securely over bin's rim
- Unique nesting design reduces distribution costs and makes containers convenient to stack and store
- Large graphic area available to place company, community, or program logo

Bin Features

- Ergonomic handle design
- Contains recycled post-consumer, high density polyethylene
- Available with or without drain holes

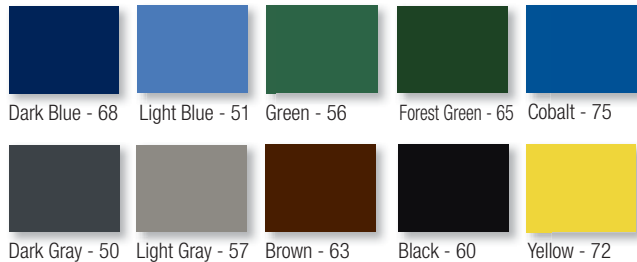

Customize Your Bin

- Brand your bin with hot stamps, in-mold labeling, or ColorFUSE™ technology
- Sequential serial numbers
- RFID tag or barcode

Available Colors

Recycling Bins are available in 10 standard colors. The standard lid color is black to coordinate with bins. Custom colors available upon request in both bin and lid.

Dark Blue - 68 Light Blue - 51 Green - 56 Forest Green - 65 Cobalt - 75
 Dark Gray - 50 Light Gray - 57 Brown - 63 Black - 60 Yellow - 72

Colors as shown in this document may differ slightly from the actual product.

Bin Specifications

MODEL	HEIGHT	WIDTH	LENGTH
18 GAL.	13 3/8"	16"	26 5/32"
18 GAL. LID	3 3/4"	16 1/2"	26 1/2"
