

VersaCan

VersaCan

A Cylindrical Container Perfect For Recycling

- Available in 20, 25, and 32 gallons
- Fully stackable—and smaller sizes stack inside larger ones
- Built-in handles make lifting easy
- Sturdy material, yet still lightweight when full of recyclables
- Beverage hole lids serve as easy identification for bottles and cans
- Variety of colors fit within existing collection programs
- Great for special events or variable collection routes

Features

- Hot stamp with standard recycling message or customize with company logo
- Drain holes available
- Molded hand grip on bottom of can available for 32 gallon size
